

The Bharat Space Education Education Research Centre cordially invites all students to register for the upcoming 3-Day Advanced Robotics Session & 2- Day Advanced Defence Drone Technology enabling participants to acquire essential skills and initiate their projects, as a part of Innovation for Viksit Bharat Abhiyan @2047.

Public Notice/ Important Update:

Who can participate: Anyone with a background in science and technology, Including students and faculty, is welcome to join an Advanced 3-Day Robotics Design Workshop & 2-Day Advanced Defence Drone Technology, and 1- Day Aircraft Design Workshop.

Apply for 3-Day Robotics Design

Workshop: <https://forms.gle/ymNrJuxyJoyyW2DX6>

Apply for 2-DAY DEFENCE DRONE

TECHNOLOGY : <https://forms.gle/6H5tYw56ihsm1Z3S9>

Apply for 1-Day Aircraft Design

Workshop: <https://forms.gle/pBAjtvVnxUbc2S9W7>

Date of the workshop :

| | |
|---|---------------------------------|
| 20th, 21st & 22nd February : | Robotics |
| 28th Feb & 1st March : | Advanced Defence Drone |
| 8th March : | Aircraft Design Workshop |

Duration : 3 hours of each Session, Mode : Online

We look forward to your participation and engagement in the Advanced 3-Day Robotics Design Workshop and 2-Day Advanced Defence Drone Workshop and 1-Day Aircraft Design Workshop.

Recorded Lecture : The recorded session will be provided post-workshop for those unable to attend due to any circumstances, allowing them to view the lecture at their convenience.

A certificate of participation will be provided.
