College of Vocational Studies
University of Delhi
Triveni, Sheikh Sarai-II, New Delhi

Date: 20 February 2026

College of Vocational Studies (CVS) has been designated as the Knowledge Partner of the Spoken Tutorial, IIT Bombay, which is an educational content portal that was established with the funding from the Ministry of Education (previously Ministry of Human Resource Development). The objective is to promote software-based learning imparted through their website. The website offers self-paced courses using Free and Open-Source Software (FOSS) that are disseminated through learning tutorial videos. **These courses are free of cost.**

CVS, under the aegis of IQAC, offers the following Spoken Tutorial certificate courses to all students of CVS:
1) Basics of Artificial Intelligence
2) HTML
3) Latex

Registration Form: https://forms.gle/GFMiGbFdCnJXYFRK8

Last Date to register: 10 March 2026

Course Start Date: 15 March 2026 (Tentative)

Exam Date: 21 April 2026 (Tentative)

Please note the certificate of completion for these courses will be given to only those students who pass the exam that will be conducted at the end of the course. The exam will be held in college Computer Lab.
