CHAIRMAN'S MESSAGE

Prof. M.N. Doja

As we close the academic year 2024-25, I find myself reflecting on the remarkable journey we have shared as an institution. This was a year of transitions, challenges, and triumphs: each moment shaping the future of our college in meaningful ways.

We began the year by honouring Prof. Inderjeet Dagar, who retired after serving as our Principal for over 19 years. His leadership, wisdom, and dedication have left an indelible mark on this institution, and for that, we will always be grateful.

During the interim period, Prof. Chandra Shekhar Dubey stepped in as OSD, guiding us with warmth and wisdom. His ability to connect with students and teachers alike brought reassurance and motivation when we needed it most.

Now, with Prof. Shiv Kumar Sahdev taking the helm as our new Principal, we enter an exciting new chapter. His experience, fresh perspective, and dynamic approach promise to build on our legacy while steering us toward even greater achievements.

Beyond leadership changes, this year was defined by the hard work and passion of our entire college community. Our students excelled in academics, sports, and cultural events, proving once again that talent thrives when given the right opportunities and support. Our faculty made strides in research, earned well-deserved promotions. Our new colleagues who received their confirmations this year have already begun contributing to our shared mission. And through it all, our non-teaching staff ensured that every function of the college ran smoothly—often behind the scenes, but always with dedication.

What stands out most is not just our accomplishments, but the spirit with which we pursued them. Change can be uncertain, but this year showed us that with collaboration, resilience, and shared purpose, we can turn challenges into opportunities.

As we look ahead, I feel a deep sense of optimism. The energy on campus is palpable, the ideas are fresh, and the commitment to excellence remains unwavering. My heartfelt thanks to every member of this college: students, teachers, and staff, for making this year one of progress and pride.

Together, let us continue building an institution that not only educates but inspires.

With warm regards
Professor M. N. Doja
Chairman, CVS

PRINCIPAL'S MESSAGE

Prof. Shiv Kumar Sahdev

When I first joined CVS, I was eager to understand not just the institution's history but the spirit that binds its people together. Over these past few months, I have had the privilege of witnessing the deep commitment, resilience and collaborative energy that define our college.

From the outset, I believed in fostering transparency and dialogue, ensuring that every voice in our institution, whether faculty, students or staff, felt heard. One of my first steps was to meet each faculty member individually to understand their experiences, challenges and aspirations.

My door has always remained open for students, encouraging them to share their concerns, ideas and ambitions. These conversations and dialogues have helped in shaping a more responsive and engaged institutional culture. They have reinforced my belief that CVS thrives because of its people, their dedication, their creativity and their willingness to work together for a better future.

In these months, we have worked towards strengthening institutional support systems, improving communication channels and addressing key academic and infrastructural needs. Every initiative, whether refining administrative processes, reimagining academic structures or fostering interdisciplinary dialogue, has been guided by a collective vision to make CVS a space of opportunity, inclusivity and growth.

This year, our students won over 50 awards across competitions and secured placements in leading companies like WTW, PolicyBazaar, and IDFC First Bank. From top podium finishes at IITs to national sports representation, the College of Vocational Studies celebrates a year of remarkable achievement and holistic excellence. Our faculty continued to excel with numerous publications in reputed journals and active participation in national and international conferences, further enriching our academic environment. Their commitment to research and mentorship remains a cornerstone of our institution's success.

As we reflect on how far we have come and the journey ahead, I remain committed to the values that define this institution: openness, collaboration and academic excellence. Together, we will continue to shape CVS into a place where knowledge flourishes and aspirations turn into achievements.

With warm regards
Prof. Shiv Kumar Sahdev
Principal, CVS

CHIEF GUEST

Dr. Sudhanshu Trivedi
Honourable Member of
Parliament

It is our distinct honour to welcome Dr. Sudhanshu Trivedi as the Chief Guest for the Annual Function 2024–25 at the College of Vocational Studies, University of Delhi. Dr. Trivedi is a prominent Indian politician, scholar, and orator, currently serving as a Member of Parliament in the Rajya Sabha, representing the state of Uttar Pradesh. He is also a senior leader and National Spokesperson of the Bharatiya Janata Party (BJP), widely recognised for his incisive political commentary and intellectual contributions to national discourse.

An academic by training, Dr. Trivedi holds a PhD in Mechanical Engineering and has served as a faculty member in several reputed institutions prior to entering public life. His journey from academia to active politics reflects a deep commitment to national development through informed dialogue, education, and public engagement.

As a spokesperson and thought leader, Dr. Trivedi has played a significant role in articulating the party's vision on national platforms, combining historical insight with contemporary political understanding. His speeches and writings often draw upon India's rich cultural and civilisational heritage, making him a respected voice in both political and academic circles.

Dr. Trivedi's longstanding association with the field of education — both as a scholar and educator — continues to shape his vision for India's academic and intellectual future. His insights into curriculum reform, research orientation, and value-based education resonate deeply with institutions striving for holistic development. As a former academician himself, he brings a rare blend of policy understanding and classroom experience, enriching discussions around higher education reform. His presence at our Annual Function offers an invaluable opportunity for the college community — especially our students and young faculty — to engage with ideas that bridge tradition and transformation in the realm of knowledge and learning.

We are privileged to have Dr. Trivedi with us to grace this special occasion. His presence is a source of inspiration for our students, faculty, and staff as we continue to nurture young minds with a vision for inclusive progress, critical thinking, and responsible citizenship.

The Student Union for the academic year 2024–25 played a significant role in representing student voices and fostering a vibrant campus environment. Through their efforts, various academic, cultural, and welfare activities were successfully organized and executed, promoting student engagement and unity.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

During the academic year 2024–25, the Internal Quality Assurance Cell (IQAC) undertook several initiatives aimed at enhancing academic and administrative excellence. One of the key achievements was the facilitation of promotions to professorship in November 2024, wherein six faculty members from various departments were elevated to the position of Professor. In addition, eligible candidates from the Departments of BMS, Hindi, and History were promoted from Assistant Professor Stage I to Stage II as per the Career Advancement Scheme (CAS).

To support faculty in navigating the promotion process under CAS 2018, IQAC organized a workshop titled “Understanding the Rules, Requirements and SOP for Promotion under CAS 2018” on 23rd January 2025. The session was conducted by Deputy Registrar Ms. Meenakshi Sahay and saw active participation from faculty members across disciplines.

For the non-teaching staff, a workshop on Technical Writing was conducted from 12th to 14th February 2025 in collaboration with the Department of English. The workshop focused on practical skills such as MS Word formatting, drafting notices, and writing minutes of meetings.

Additionally, IQAC has been overseeing departmental workshops on research methodology to equip final-year students with essential academic research skills in preparation for their fourth-year.

SPORTS ACHIEVEMENTS

The College of Vocational Studies has consistently promoted physical fitness and holistic development through its robust sports culture and infrastructure. The campus is equipped with facilities for football, volleyball, cricket, basketball, athletics, archery, boxing, yoga, table tennis, chess, and more—encouraging students to pursue a well-rounded lifestyle. During the academic year 2024–25, the college's sports teams participated actively in inter-college tournaments and championships, achieving noteworthy success across multiple disciplines. Some of the most significant achievements are as follows:

- **Football:**
 - *Jiss Joseph* represented Delhi University in the **North Zone and All India Inter-University Football Tournaments**, held in **Jaipur** and **Kanpur**, showcasing high-level competitive skill on a national platform.
- **Cricket:**
 - *Pratham*, captain of the CVS cricket team, represented the **Under-23 Uttarakhand state team**, a remarkable milestone reflecting the college's rising prominence in cricketering circles.
- **Chess:**
 - The CVS chess team emerged **runner-up** at an inter-college tournament organized by **Deshbandhu College**, demonstrating strategic prowess and mental agility.
- **Basketball:**
 - The college basketball team secured **top positions** in multiple tournaments across **Delhi NCR**, underlining their consistency and teamwork throughout the season.
- **Table Tennis:**
 - *Vibhor Khurana* participated in both the **Delhi State** and **District Table Tennis Championships**, gaining exposure and experience at advanced competitive levels.
- **Athletics:**
 - *Ajeet* and *Mansi* were recognized as the **Best Athletes** during the college's annual sports events for their outstanding performances across multiple athletic disciplines.

Annual Sports Day 2025

The Annual Sports Day of the College of Vocational Studies was held on 21st February 2025, celebrating athletic excellence and community spirit. The event commenced with a Mashal Ceremony led by the Principal, symbolizing unity and perseverance. A vibrant parade by NCC, NSS, and college sports teams marked the formal opening. Students competed in various track events (100m to 3000m) and shot-put, while a special 100m race was held for teaching and non-teaching staff. Ajeet and Mansi were recognized as the Best Runners for their outstanding performances. The day concluded with the National Anthem, instilling pride and togetherness among all attendees.

This event, along with the year's many achievements and initiatives, reflects the college's continued commitment to holistic development and excellence.
